The New Testament Documents: Are They Reliable? by: F.F. Bruce. This modern classic in the field of New Testament studies offers a compelling defense of biblical truth. F.F. Bruce, one of evangelicalism's most respected scholars, makes a clear case for the historical trustworthiness of the Christian Scriptures, drawing on evidence from the New Testament documents themselves as well as extrabiblical sources.

Come see what's new in the church library (the room at the back of the sanctuary) where there are books, resource materials and videos for all ages. All members or attendees of ERCC are welcome to check out materials any time. Easy-to-follow instructions are on the middle library shelf.
